Terms and Conditions for Purchase of Goods and/or Services

Effective 14 January 2025

1. Agreement to Sell Goods and/or Services

The Supplier agrees to sell and the Company agrees to buy the Goods and/or the Supplier agrees to provide the Services which the Company agrees to accept, on and subject to these terms and conditions.

2. Delivery, Acceptance and Title – Goods

2.1 The Supplier must deliver the Goods to the Delivery Point by the Delivery Means on the Delivery Date (or earlier with the Company's prior written consent).

2.2 Each delivery must be accompanied by delivery dockets marked with the Order number, product description and the quantity of Goods.

2.3 Title to and risk in the Goods will pass from the Supplier to the Company on Delivery of the Goods.

2.4 Prior to accepting the Goods, the Company may reject the Goods if the Company (acting reasonably) considers any of the Warranties are untrue or have been breached or the Goods do not otherwise comply with the terms of the Order. The Company accepts the Goods if:

- (a) The Company advises the Supplier in writing that the Goods have been accepted (but signing for delivery does not constitute acceptance);
- (b) The Company has not rejected the Goods within 30 (calendar) days from the date of receipt at the relevant Company Site;
- (c) The Company uses the Goods in a manner that materially changes their condition.

2.5 The Company's acceptance of the Goods will not preclude or prejudice any rights, powers or remedies the Company may have as a result of a breach of any of the Warranties or any other provision of these terms and conditions.

3. Performance of Services

3.1 The Supplier must perform all Services in accordance with the Order and these terms and conditions by the Completion Date referable to them.

3.2 The Company may in writing instruct the Supplier to vary the scope (but not the general nature) of the Services. The Supplier must comply with that instruction and a reasonable adjustment will be made by the Company to the Purchase Price.

4. Purchase Price and Invoicing

4.1 The Purchase Price includes:

- (a) for Goods, all freight costs up to the Delivery Point, transit insurance and all other charges payable in connection with the sale of the Goods; and

- (b) for Services, all costs and expenses associated with the provision of the Services, and all taxes (except GST and any applicable PST), duties, imposts and levies payable under the laws of any relevant jurisdiction.

4.2 The Supplier may only issue invoices for Goods after Delivery of those Goods and for Services after completion of those Services (in all cases in accordance with the Order) and must only send one copy of each invoice to the Company. All such invoices must be issued to the contact person nominated by the Company in the Order (or as otherwise notified by the Company) and include at least the Order number, description of the Goods and/or Services, the quantity of Goods and date of Delivery of the Goods or performance of the Services and be dated the date the invoice is sent to the Company.

4.3 Subject to clause 4.7, the Company must pay the Purchase Price by cheque or electronic funds transfer to the Supplier within 62 days after the end of the month in which the Supplier's invoice, issued in accordance with clause 4.2, is received by the Company or in the case of Goods, the month in which the Company accepts the Goods under clause 2.4.

4.4 The Supplier must have and continue to maintain all registrations required by law to enable it to charge and collect GST (and PST where applicable). If requested in writing, the Supplier must provide evidence to the Purchaser of such registrations.

4.5 The Supplier acknowledges that the Company may be obliged under Canadian law to withhold a portion of payments due to the Supplier under this Contract for provision to the relevant Canadian tax authorities ("Withholding Tax").

4.6 Any withholding or deduction of Withholding Tax in the amount reasonably determined by the Company will not constitute a breach of this Contract by the Company and the payment of such amount by the Company to the relevant Canadian tax authorities is a full discharge of the Company's obligation to pay such amount to the Supplier.

4.7 If the Purchase Price falls due for payment on a day that is not a Business Day, payment must be made on the next Business Day.

4.8 The Company is not obliged to pay any invoice which is received by the Company more than 90 days after the date of Delivery of the Goods and/or completion of performance of the Services.
